

EUROPEAN METALS ANNUAL CONFERENCE VISIBILITY OPPORTUNITIES

Putting you in the
heart of the debate!

EM

Annual Conference

- The Eurometaux **Annual Conference** brings together around 200 EU policymakers, industry leaders, NGOs and experts to discuss key policy developments shaping Europe's non-ferrous metals sector.
- Key highlights from this year's edition include:
 - 4 European Commission Directors
 - 4 Members of the European Parliament
 - 5 CEOs on the 3 panel debates
- Held annually in Brussels, the event focuses on the EU's industrial and green transitions, covering competitiveness, energy, circularity, chemicals, raw materials, and the connection between industrial policy, security, and defence through panels and debates.

What we offer

High-Level Engagement

- Panels with senior executives and policymakers
- Direct exchange with Commission officials, MEPs, and Member State representatives
- Networking reception to continue discussions informally, along with professional interviews

Visibility Opportunities

- Speaking opportunities
- Media visibility (LinkedIn highlights, quotes, clips)
- Branding: roll-up banners, event visuals, brochures
